Speaker can be removed by the Lok Sabha by a resolution passed by effective majority of the house as per constitution of India[art 94]. The Speaker is also removed on being disqualified for being Lok Sabha member under sections 7 and 8 of Representation of the People Act, 1951.

The people of India directly elect their representatives to the house on the basis of University adult franchise.

The Lok Sabha is also known as the lower house of the parliament. Members of the lok sabha are usually elected once every five years.

Lok Sabha

Elections to lok
Sabha are carried
out using a first-pastthe-past electoral
system.

In 1952, only 22 women were elected while in 2014, 49 women candidates were elected.

1st Lok Sabha Election took place in 1952.
There were 489 seats elected. Congress won 364 out of 489 seats. jawaharlal Nehru became the first Prime Minister.

It would not be overstatement to say that the 2019 Lok Sabha election verdict and sheer scale national democratic alliance's victory in the large measure in the manifestation of depending religious divide in Indian society.

NOTA was introduced in 16th Lok Sabha Elections of 2014. Prime Minister is the leader of the house. Money bill can only be introduced in Lok Sabha.

The ruling party victory has been broad based. Gaining seats in most parts of the country and the across the rulal urban divide, cementing its pole position in Indian politics.
